

Students study math facts at home to prepare for our class visit.

No fees. No purchase necessary.

- You choose the facts you want students to practice.
- Send home the challenge notice. That's it!
- We visit your class for 15 minutes.
- We talk about keys to success in math.
- Students do *The Math Facts Mad Dash*, a relay race.
- We give out prizes.
- We sing *Growing Stronger Every Day* with your students.

My name is Mitchell Mark. I am a retired Grade Teacher, and a math facts coach. If you would like a classroom visit, contact me, propose a date and time. I will confirm, and send you the challenge notice, along with the lyrics and video to the song.

Warm wishes,

Mitch
