

Challenge Contest Rules

Post a pic or video.

Win \$50.00!

Take a picture or video of children:

- Creating and using flashcards.
- Doing The Math Facts Mad Dash alone, or with others.
- Making good use of down time. Practicing in the car, at the grocery store, during commercials.
- Reviewing facts while brushing teeth.
- Posting flashcards around the house. On the fridge. On the bathroom mirror, etc.

- Something different. Make a hopscotch game with math facts. Do math facts while doing push ups.
- Tell us what you like about the challenge. Include others (parents, extended family, etc).

Who can enter?

- Parents. Challenge one child. Challenge siblings to work together. Challenge another family.
- Extended family.
- Teachers, camp counselors, club leaders, etc. * Get parent permission.

How to enter the contest.

- 1) Take a picture. Make a video.
 - 2) Follow us on Twitter or Instagram. @MathFluencyNow.
 - 3) Post your pic or video on Twitter or Instagram. Include #MFCPicVideo
- * Enter as often as you like.

On September 15th, we will announce winners

The contest is in no way sponsored, endorsed or administered by, or associated with, Instagram or Twitter.
