

Teachers: Team up with three students.

Do The Math Facts Mad Dash.

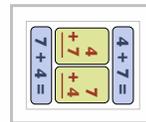

Win a Treasure Chest of Harry Potter Books.

Teachers, the dash is a simple, cost-free way to get your students excited about math. All you need to do is send home the challenge form. Children practice at home. Doing the dash with three students takes a minute, and adds fun and motivation. There is a guide for teachers and printable instructional flashcards at studysmart.com.

The Math Facts Mad Dash: A relay race with math facts.

Distance from starting line to answer table: 10 feet.

Players begin at the starting line, run to the table, answer a question, run back to the starting line, and repeat.

The dash adds fun and fitness, while sending blood and oxygen to the brain.

The dash provides a goal and motivation. Children practice at home, on their own. They develop responsibility, study skills, confidence and perseverance.

Seven books in all.

Teachers, Win a Treasure Chest of Harry Potter Books.

- 1) Send home the challenge form. See the teacher guide at studysmart.com.
- 2) Choose three students to be on your team. Do the dash.
- 3) Post a pic or video on Twitter.
- 4) Include the hashtag: #HarryPotterMFC. No purchase necessary.

Reasons to do The Math Facts Mad Dash

The dash is homework children want to do. It takes less than a minute to do the dash. Children use the study guide to gain both understanding and automaticity. Children practice all week. Then they do the dash for their parents. When parents pay attention, children practice more, and with more effort. Parents can do the dash with their children. Participation increases motivation. Teachers and parents get to be fans, teammates and coaches. The dash takes no class time. There is nothing to grade.
